

## **Instructions for Outline for Essay Quiz**

**Students should already have selected a question to write on. The rap quiz should have furthered the selection of ideas to be in the essay. The quiz will consist of the following items to demonstrate preparation for this essay.**

- 1. State question**
- 2. Write thesis with contention**
- 3. Outline format must be used to showcase the material included in the essay (any outline can be used but no paragraph type material)**
- 4. Raw data should be included (analysis notes may also be included and should be labeled with an asterisk, red highlighting, or parenthesis on analytical material)**
- 5. Data can be in phrases but not in single words to symbolize large topics**
- 6. Write a conclusion**

**The outline should be at least two typed or three hand written pages to show adequate development for the essay. Grade will be based on quality and quantity of data collected and analyzed.**
